## QUALIFICATIONS

# GREG HEBERT

JK DESIGNS, INC.

### DESIGN TEAM:

An award winning San Diego, CA based landscape architect that we have worked with on many of our large-scale projects over the span of 25 years. "Our design philosophy grows from an interest in people, all being 'unique'. An innate sense of what makes clients 'click' is at the heart of the initial design process, attention to detail and expert knowledge of landscape design elements." Greg was initially recognized for Early-California style landscapes, but has since grown to specialize in a variety of landscape styles. The company strives to create cohesive outdoor spaces personalized for each client. Greg Hebert Landscape Architect has been recognized with awards by various design associations and publications on national and local scales. including San Diego Home/Garden Lifestyles' 2015 Garden of the Year, their fourth such win since 2005.

### EXPERIENCE:

20+ years of experience practicing as a Landscape Architect. Studied in the Master of Landscape Architecture program at the University of Colorado at Denver (1985) and received a Bachelor of Arts in Environmental Conservation from University of Colorado at Boulder (1981).

Greg Hebert is founder of Greg Hebert Landscape Architect (GHLA) since February 1992. The firm's mission is to produce high quality, environmentally friendly, and artistically unique landscape designs suited to individual client's needs and tastes.

### RECENT WORK:

Greg Hebert Landscape Architect has been fortunate to be associated with the talent of both local and out-of-state artists. Collaborations on built projects and design competitions are conducted with various artists of the National Sculptors' Guild (NSG) of Loveland, Colorado. We work with NSG, designing gardens to compliment realistic bronze sculpture throughout Southern California. The Barona Casino entry sculpture installation was awarded an "Orchid" for Public Art and GHLA collaborated with NSG to site sculptures and shape the landform to enhance the casino entry. The Desert Holocaust Memorial located in Palm Desert, California commissioned through the NSG was design by Greg Hebert Landscape Architect.. We have worked with James Hubbell, of Santa Ysabel, on the improvement of residential gardens in Solana Beach and San Pasqual, California.

Greg Hebert Landscape Architect has developed an extensive background in residential design work. The firm has the honor of having two residences included the American Society of Landscape Architect's garden tours in 1994 and 1996. The firm is a recent recipient of the Rancho Santa Fe Association "Lilly" award for a landscape remodel.. Greg Hebert Landscape Architect has designed several residential landscapes at Rancho Valencia Resort. Current interesting and unique projects are located in Rancho Santa Fe, Del Mar, and La Jolla California. Residential Architects: Wallace E. Cunningham, of San Diego; Dean Meredith, AIA, of Del Mar, Colorado; Robert Trown Associates, of Snowmass Village, Colorado; and Kajer Architects, of Pasadena, California have routinely worked cooperatively with Greg Hebert Landscape Architects as part of their design team.

### PREVIOUSLY:

Greg Hebert was a design team member for Rancho Valencia Resort, in Rancho Santa Fe, California. Hebert worked for the landscape architectural firm Roger DeWeese, Inc. & Associates which was responsible for the Resort's design. Hebert designed and implemented Preliminary Plans and Construction Documents for Rancho Valencia Resort's grounds.
