

## RESUME

# RUSSEL A. MARTINO, M.S., P.E.

JK DESIGNS, INC.

MARTINO AND LUTH, INC. Consulting Structural Engineers, a member of the Renaissance Design Group

### TECHNICAL SPECIALITIES:

Russ's technical specialties include conceptual design, lateral load analysis, production of working drawings using all conventional building materials, renovations of existing structures, engineering for construction / constructability, and engineering for demolition. Russ believes in the use of Building Information Modeling (BIM) software (Such as Tekla Structures) to model structures during the design phase to virtually construct the structure prior to breaking ground. He also believes the model should be carried to construction and used to produce Structural Steel, Light Gage Stud, and Reinforcing Steel shop drawings.
